Key Insights

Theme	Insight
Province dominance	Gauteng (3,749), Western Cape (1,866) and KZN (1,034) drive ~65% of users.
Age concentration	Adults (7,577) and Seniors (2,056) form ~95% of viewers.
Gender skew	Male viewers ~89% of sessions — large untapped opportunity in female audience.
Best time-of-day	Evening (3,625) and Afternoon (3,086) peak; Early-Morning (561) lowest.
Weekend gap	Late-Night sessions are almost entirely weekday (1,255 vs 98).
Watch depth	99% of sessions are Shortwatch. Bingewatch concentrated in Young + Late Night.
Channel mix	Supersport, ICC Cricket, Africa Magic and Cartoon Network lead.
April data	Only 5 records in April — likely ETL cutoff; flag before storytelling.

Recommended Initiatives to Grow the User Base

Initiative	Description
Female-focused acquisition	Lifestyle, drama and reality campaigns to address the 89% male skew.
Weekend morning programming	Family/kids and sports highlight blocks to lift the weakest weekend slots.
Binge-friendly catalogue for Adults	Release seasons/box-sets to push Adults from Shortwatch → Bingewatch.
Regional expansion: NC, FS, NW	Provinces with <500 users — low-cost growth via localized content + telco bundles.
Seniors retention bundle	Easy UI, news + classic-movie packs for the 2,056 Senior cohort.
Referral & loyalty programme	Reward Bingewatchers (highest LTV) for referrals.
